Course Description

This is a hands-on practical course on the techniques of documentary video production. Students will be primed on the various styles of documentary videos and learn and practice all the necessary steps to produce a short documentary video.

At the course conclusion students should have the following learning outcomes:

- conceptualize and develop a short documentary video
- conduct research and identify themes for the video
- perform on location interviews, video camera work and sound recording
- edit video picture and sound

Instructors

Nancy Tong – An award-winning documentary film producer and director

Details about instructors are available at <http://jmsc.hku.hk/category/people/>
